

November 1, 2017

Dear NDRLA members:

The NDRLA Scholarship Program is strong today because of the dedication our membership has given the program over the years. In order to continue the success of the program your consideration in making a financial contribution to the NDRLA scholarship program would be greatly appreciated. In the past we have been able to award \$500 scholarships to approximately 6-10 deserving students each year through your generosity. This investment is one we can all be proud of; not only does it help these college-bound students financially, but it is also a worthwhile investment in *our* future.

Along with all of the other benefits being involved with NDRLA offers, I'd have to say one of the most rewarding is the scholarship program. This program is open to college-bound students who are children of current NDRLA members or children of their employees. College-bound employees are also eligible. Enclosed is a scholarship application. Please make copies of this application as well as this letter and distribute them to your employees to give to the prospective recipients. All stipulations are outlined on the application form. **Any application that does not follow the specific requirements or does not arrive by the stated deadline will not be considered. Any prior recipients are not eligible to be considered for an additional scholarship.**

Thank you again for continuing to support this important program. Any contributions can be sent to our executive secretary, Jamie Havelka, or to myself. *Please specify on your check that it is for the scholarship program.*

Best regards,

Brian Tuite  
NDRLA Treasurer/scholarship committee chairman
